WARRANTS, CIRCULARS, &c.

CIRCULAR, No. 70. (MEDICAL ATTENDANCE—HOME AND FOREIGN.)

271—6

179

War Office, 19th March, 1857.

THE Secretary of State for War having, with the concurrence of His Royal Highness the General Commanding-in-Chief, directed that the privilege of gratuitous Medical Attendance shall in future be accorded to Clerks and others attached to the Army, under the following Regulations, and that abatements, made under the Regulations quoted in the margin, from the pay of Barrack Serjeants, Foreman, Artificers, Laborers, and others on the Establishment of the late Ordnance Department, shall cease, and those persons in future be subject to stoppages only while in hospital, at the regulated rates.

This decision is notified for the information of the Department, and any abatements, other than hospital stoppages, which may have been made subsequent to the 1st January, 1857, may be refunded to the several individuals.

B. HAWES.

Regulations above referred to.

1. All Clerks employed in the Military and Civil Departments of the Army, their wives, families and domestic servants, are to be considered entitled to professional attendance from the Medical Officers in charge of the Troops, and to medicines from the public stores, provided their places of residence shall be within one mile of the chief Military Hospital of the Station; the attendance, &c., however, to be extended to such children only as are under 14 years of age; and it should be clearly understood that Medical Attendance cannot be claimed for the wives of those holding the above appointments in cases of parturition, unless in circumstances where the services of neither a midwife nor accoucheur can be procured.

The domestics of the families specified requiring Medical Advice, must attend at the Military Hospital at fixed hours, unless the nature of their ailments should render confinement to the house necessary.

2. Office-keepers, permanent Laborers, and persons permanently attached to the Civil and Military branches of the Army, to be considered as entitled to Medical Attendance and Medicine; but the wives, children or domestics of these persons are not to be considered as possessing any claims to Attendance and Medicine, unless in localities where the services of civil practitioners are not available.

3. Barrack Serjeants, however, when residing in Barracks, may receive for themselves and families Medical Attendance and Medicines at the public expense.

4. It is to be clearly understood, that when in consequence of there being no Military Medical Officer present at the Station, a private practitioner is in medical charge of the Troops, no separate medical bills will be admissible for the Clerks and other persons before mentioned, but they are to be included in the numbers for which the regulated contract rate is charged.

5. Each Department must furnish to the principal Medical Officer of the Station, on the last day of every month, a nominal list of all the individuals entitled to receive Medical Attendance, which list should specify the precise occupation of each person contained in it, and no person will be considered as having a claim for Medical Attendance whose name is not periodically furnished as above proposed, and who does not reside within the prescribed distance of one mile from the Chief Military Hospital of the Station.

CIRCULAR, No. 74. (MILITIA.)

SIR,

War Office, 21st March, 1857.

THE attention of the Secretary of State for War having been drawn to the position of those Pensioners who have been accepted as Volunteers in the Militia, and are consequently excluded from the Enrolled Pensioner Force, in which they would now be more advantageously employed, I am directed by his Lordship to request that you will cause all such men who may be serving in the Regiment under your command to be forthwith discharged, provided there are vacancies for them in the Pension Force of the District, in regard to which you will communicate with the Staff Officer of Pensioners. The names, however, of those Pensioners who are considered efficient as Drill Instructors should be recorded, in case their services may be required in that capacity at the trainings of the Regiment, when they could be applied for, and paid in the manner prescribed by the Regulations of the 1st September, 1854. I am to add, that their discharge certificates should be forwarded to the Staff Officer of Pensioners, with the view to their being delivered by him to the men.

I have the honor to be, Sir,

The Officer commanding
the — Regiment of Militia.

Your obedient Servant,
B. HAWES.

SIR,

War Office, 25th March, 1857.

THE recent decision conveyed to you by War Office Circular, No. 1243, dated 16th December last, fixing a uniform rate of Commuted Forage Allowance for Great Britain and Ireland and the Channel Islands, enables the Secretary of State for War to consent, with reference to Article 601, page 179, of the War Office Regulations of 1848, that from and after the 1st April next, the Contingent Accounts of General and other Staff Officers may be made up Quarterly instead of Half-Yearly, as at present, and forwarded to the War Office, according to the instructions contained in the Articles of the Explanatory Directions from 602 to 608 inclusive.

MEMORANDUM, No. 78.

War Office, 25th March, 1857.

HER Majesty having been pleased, by Warrant dated 28th ultimo, to sanction a new establishment for the Store Service at home and abroad, constituted upon the principles and governed by the regulations in the several schedules annexed thereto; a copy of the same, and a list of the members of the establishment in the new classes, are forwarded, by desire of the Secretary of State for War, for the information and guidance of all concerned.

The objects of the changes to which her Majesty's Warrant gives effect are,—

To impart a general stimulus to the service by affording greater facility and opportunities for the promotion of meritorious Officers;

To make the Officers of the department moveable, and thereby to facilitate the selection of Officers for the places for which they are most fit, independently of the accidental circumstances of their original appointments;

And to establish a gradation of rank in the service corresponding to the responsibilities and remuneration of the Officers respectively.

With the view of ascertaining the relative qualifications of Officers (referred to in Art. 3, Regulations C.) half-yearly reports (Forms G. and H) are to be made upon the conduct and abilities of all the Officers of the establishment, and forwarded to the Director of Stores on 31st March and 30th September in each year. These reports are to include all Officers who have served any portion of each half-year at the station.

The certificates for annual increases of salary are to be forwarded to the Director of Stores for approval as soon as they become due, and they are to be passed by him to the Accountant-General.

At Foreign Stations a duplicate certificate is in each case to be attached to the account in which the increase is charged.

Each Officer serving abroad is to be furnished on quitting his station with a certificate showing to what date inclusive his salary and foreign service allowance has been paid. Similar information is likewise to be forwarded to the Accountant-General; and in cases of removal from one Foreign Station to another, certificates are to be furnished to the senior Officer at each station.

To prevent delay in the settlement at head quarters or at Foreign Stations of any claims for foreign service allowance, Officers are to obtain from the Captains of the vessels in which they are conveyed certificates showing the date of their embarkation or disembarkation.

The allowances fixed by these Regulations for house rent at Home Stations, as well as those rates now drawn under previous rules, will be ordered for payment by the Accountant-General through the local Accountant, or otherwise, on the receipt of the claim made out and certified according to the Form (I) annexed.

It is to be clearly understood that the foreign service and tropical allowances are in no case to be drawn together, also that the extra remuneration of Officers temporarily in charge will be confined to the allowances specified in Art. 17, Regulations C.: the acting or charge pay heretofore given under certain circumstances will henceforth cease.

B. HAWES.

Gen. No. 146.

SIR,

War Office, 27th March, 1857.

IT being found, on the examination of the Accounts of Regimental Savings Banks, that the receipts of the depositors for sums withdrawn have, in many cases, not been obtained;

I am directed by the Secretary of State for War to request that care may be taken to prevent such omissions in future.

I have the honor to be, Sir,

Your most obedient humble Servant,

Officer commanding.

CIRCULAR, No. 80. (STORES—HOME AND FOREIGN STATIONS.)

Z. 6643.

War Office, 27th March, 1857.

THE Lords Commissioners of the Admiralty having forwarded to the Secretary of State for War various claims for the repayment of the cost of Stores supplied, or for work performed in the repair of boats, and other services, by Her Majesty's Naval Establishments at home and abroad, for Departments of the War Office, such of these claims as have been found to be unsupported by the receipt of the Departmental Officer into whose charge the Stores were delivered, have been necessarily postponed until the requisite proof of the supply shall have been obtained.

In order to prevent the recurrence of the like delay in the future settlement of claims from the Admiralty, and for the better regulation of such transactions in future, the Secretary of State for War desires that the attention of the Officers of the several Departments of the War Office may be drawn to the subject, and that they be informed of their obligation to give certificates for all Stores received by them respectively from Her Majesty's Naval Establishment, or for work performed, and to specify in such certificates the date of authority upon which the Stores may have been obtained, or the service performed, and also to state therein that the Stores received have been duly brought on charge in the Store Accounts of the Officer giving the receipt.

The Secretary of State for War therefore desires that all Officers commanding the Royal Artillery and Royal Engineers, as well as all Storekeepers at home and abroad, will adopt such measures as they may deem necessary to carry this order into full effect, with the least possible delay after the receipt hereof.

Prospectus of the next Examination for Admission to the Royal Military Academy at Woolwich.

N.B.—No more direct Appointments will be made to Provisional Commissions in the Royal Artillery.

An Examination for the admission of Cadets to the Royal Military Academy at Woolwich will be held in London, in the month of June, 1857.

Provided a sufficient number are found competent, thirty admissions will be made to that Institution; Candidates must be between the ages of 17 and 20 years. Those, however, who had not exceeded 20 years of age on the 1st January last, will be considered as still qualified. The successful Candidates will remain under instruction at the Academy for about two years, or until they are sufficiently advanced in scientific knowledge to pass a satisfactory examination, and they will then receive Commissions in the Royal Artillery or Royal Engineers. They will be required to pay a sum of 2*l.* 10*s.* on admission, to cover the expense of Uniform, Books, &c., and a contribution of 6*l.* 10*s.* for each half-year of the time during which they remain at the Academy. The half-yearly contributions, however, for Sons and Orphans of Naval and Military Officers, will be regulated at the following rates, as heretofore:—

For Sons of Admirals and of Generals having Regiments	£40
Sons of Generals without Regiments	35
Sons of Captains and Commanders of the Navy, and of Colonels and Regimental Field Officers of the Army	30
Sons of all Officers of the Navy and Army under the above ranks.....	20
Sons of Officers of the Army and Navy who have died in the service, and whose families are proved to be left in pecuniary distress	10

The Sons of General Officers paid only on their Commissions as Field Officers, will pay the same contribution as the Sons of Field Officers.

The Sons of Officers on Full and Half Pay will pay alike; but the Sons of Officers who have voluntarily retired on Half-pay, or received the difference, will only be admitted on the terms prescribed for the Sons of Private Gentlemen, viz.—6*l.* 10*s.* for each half-year.

The Sons of Officers of the Civil Departments of the Army are admissible to the Academy upon the same terms as those prescribed for the Sons of Naval and Military Officers.

The admissions will be determined by the result of a competitive examination, the subject of which will be as follows:—

	Marks.
1. Mathematics { Pure 2,000 Mixed, i. e., Statics, Dynamics and Hydrostatics 1,500 }	3,500

2. English Language, Literature, Composition, History and Geography	1,250
3. Classics { Language, Literature, Geography and History of Ancient Rome .. 1,000 Ditto, of Ancient Greece 750 }	1,750
4. Language, Literature, Geography and History of France	1,000
5. Ditto ditto ditto of Germany	750

The examination in French and German will be both written and *visu voce*.

6. Experimental Sciences, i. e., Chemistry, Heat, Electricity, including Magnetism	1,000
7. Natural Sciences, Mineralogy and Geology	750
8. Moral and Political Sciences	1,000
9. Drawing, i. e., Elementary Geometrical Drawing, including the use of Drawing Instruments, and either Machinery, Architectural, Engineering, or Landscape Drawing	1,000

No Candidate will be allowed to be examined in more than five subjects, of which one must be in Mathematics, and no one who does not obtain at least one-fifth of the allotted number of marks in Mathematics will be eligible for an appointment.

From the eight other subjects of examination each Candidate may select any, not exceeding four in number, in which he desires to be examined; but no one will be allowed to count the marks gained in any such subject, unless those marks shall at least amount to one-sixth of the total number of marks allotted to that subject.

"Pure" and "mixed" Mathematics are considered subdivisions of the subject, "Mathematics," and Latin and Greek subdivisions of the subject "Classics." A Candidate who takes up either subdivision of a subject or both, will be considered to take up the subject; but his marks will not count in either subdivision of Mathematics, unless they amount to one-fifth of the number of marks assigned to that subdivision; nor in Classics, unless they amount to one-sixth of that number. Moreover they will not count in Mathematics, unless from one or both of the subdivisions the total number gained amounts to one-fifth, or, in Classics, to one sixth the number of marks assigned to the whole subject. Thus, if a candidate takes up no mixed Mathematics, he must gain the more marks in pure Mathematics to count: and if he takes up no Greek, he must gain the more marks in Latin.

No Candidate will be admitted into the Royal Military Academy unless he obtain an aggregate of 3,000 marks at the least.

Any Candidate who shall not select French and Drawing among the subjects for his examination, will be required to satisfy the Examiners that he has such knowledge at least of the elements of those two subjects, as shall afford reasonable expectation that he will perfect himself in both during his residence at the Academy.

The following papers will be required to be transmitted by each Gentleman to the War Office, before the 1st June, with his application to be noted as a Candidate, unless he shall notify that he has been a Candidate at a previous

examination, in which case the statement of subjects only need accompany the application :—

1st. An extract from the register of his baptism, or, in default of that, a certificate verified by affidavit.

2nd. A certificate of good moral character, signed by a clergyman of the parish to which he belongs, and by the tutor or head of the school or college at which he has received his education for at least two years, or such other proof of good moral character as will be satisfactory to the Secretary of State.

3rd. A statement of the subjects of examination in which (in addition to Mathematics) he may desire to be examined.

All Candidates will be required to present themselves at the place of examination, hereafter to be determined, in order to be inspected by Military Surgeons, that it may be ascertained that they are free from any bodily defects or ailments calculated to interfere with the performance of military duties.

Notice will be given a month previously, in the public papers, of the place and days appointed for holding the examination.

War Office, 9th April, 1857.

IN order to obviate as much as possible the necessity in future of employing Civil Artificers on occasions of Active Service, the Secretary of State for War has approved of each Company of Garrison Artillery having at all times attached to it two Soldier Artificers, as Wheeler (or Carpenter) and Smith.

These men are to be mustered and paid as Gunners and Drivers, and will form part of the established number of that rank, and are to be distinguished by the badges worn by the Wheelers and Smiths of the Field Artillery. When actually employed in the Public Works they will receive Working Pay at the rate of 1s. 3d. a-day; those belonging to Companies at Woolwich are to be employed in the Royal Arsenal, and those at Out Stations at Home and Abroad, under the orders of the Commanding Engineer or Storekeeper, as local circumstances may point out, in repairing Gun Carriages, Platforms, &c., in conjunction with such other Tradesmen as may be employed under the direction of those Officers. Commanding Officers of Artillery are directed to give immediate notice of the arrival of a Company at a Station to the Commanding Engineer or Storekeeper, as the case may be, that his Military Artificers, whose names are to be stated, are available for the Public Works; and they are enjoined to co-operate in carrying out the intention of the Secretary of State by giving employment to these Artificers whenever the Public Service will admit of it.

Returns, according to the annexed form, of the work performed by the

Military Artificers are to be furnished to this Department, Quarterly, through the Director General of Artillery, for the information of the Secretary of State.

The Men are to be supplied with Tools from the Public Store.

11.

Sir,

Horse Guards, 3rd March, 1857.

His Royal Highness the General Commanding-in-Chief having recommended to the Secretary of State for War the expediency of an investigation taking place, through the medium of Courts of Inquiry, into the state of the Registers of Soldiers' Services, which, there is reason to believe, are in many cases incomplete, and Lord Panmure having concurred in the proposal, I have the honor, by His Royal Highness's command, to request, that you will cause a Board of Officers to be assembled in every Regiment, Depôt, and Depôt Battalion under your command, which is to consist of the Second in Command, one Captain, and one Subaltern, for the purpose of carrying out the object in view, according to the instructions contained in the accompanying Memorandum.

You will impress upon the Officers selected for this duty its great importance, as any neglect, or carelessness in posting the records at the periods prescribed by the regulations relative thereto, inevitably leads to error and fraud.

You will be pleased to report when these Boards complete their investigations, when final orders will be given regarding their proceedings.

In conclusion, I am to add, that his Royal Highness is of opinion, that through the medium of these investigations, Regimental Officers will be enabled to acquire and complete a knowledge of a very essential part of their duty under this head, so as to induce, as well as to qualify them to exercise a vigilant control in the matter, and to ensure that the services of the soldiers under their charge shall at all times be carefully and correctly recorded.

I have the honor to be, Sir,

Your most obedient humble Servant,

G. A. WETHERALL,

Adjutant General.

MEMORANDUM.

Horse Guards, 3rd March, 1857.

DUTIES OF BOARDS appointed to investigate and report upon the REGISTERS OF SOLDIERS' SERVICES.

1st. To examine carefully the Regimental Records and Registers at present in use, comparing them with the Court Martial Books, Defaulter Books, Promotion Books and other Records.

2nd. To examine whether all variations in the Services of Soldiers, and in all matters affecting their pay and claims to pension, &c., have been regularly and correctly inserted in the Register and Records, in accordance with the Articles of the Explanatory Directions enumerated in the margin. [Articles, 472, 482, 483, 484, 485.]

3rd. To examine whether, in respect to men sent home from the Service

Companies, or who have otherwise become non-effective abroad, certified copies of their records have been regularly forwarded to the *Dépôts*, and whether the Regimental Register and Records have been completed from such copies, as prescribed in Article 492 of the Explanatory Directions.

4th. To complete the Register and Record in each particular instance to the latest date, and insert on the face of those documents, immediately after such completion, the amount of the Service allowed to reckon, as follows,—

——— years ——— days.

Vouched by the ———.

(Signature of the Senior Member of the Board.)

5th. To examine whether there be any errors or erasures on the Records, &c., and should such errors or erasures in any case create a suspicion of their being the result of fraudulent intention, the Board are to specify in their report the full particulars thereof, and to state their opinion thereon for special consideration.

Adjutant General.

General No. 266.

Instruction of Musketry.

B. 94

11

Horse Guards (S. W.). 26th March, 1857.

THE General Commanding-in-Chief, having reason to believe that rifle practice is impeded, in consequence of soldiers not being sufficiently practised in the Platoon Exercise before being handed over to the Instructor of Musketry, finds it necessary to remind Commanding Officers and others that this, as well as all other portions of the company's drill, should be taught by the *Adjutant and Serjeant Major*; that the present system of Platoon was promulgated so far back as June, 1854; consequently, that every regiment and *dépôt* ought to have been long since proficient therein; and that General Officers will be expected to bring to notice every instance which they may observe of continued neglect in this particular, to which they will be pleased to give their special attention at the ensuing Inspections.

Captains and Subalterns are required to attend rifle practice with their companies, and to make themselves equally acquainted with the instruction of musketry as with battalion and company drill, of which, indeed, it is a component part.

Field Officers also should render themselves conversant with the theory and practice of musketry, and it is more especially incumbent on *Commanding Officers*, who (and not the Rifle Instructors) are responsible for the efficiency of their men, to acquaint themselves with this most important part of the soldiers' training by careful study of the book of regulations, by giving their personal superintendence to the drill and practice of companies under the Instructor, and by availing themselves of the assistance and information

to be derived on the subject from the District Inspectors of Musketry at their periodical visits; and his Royal Highness looks to General Officers of Divisions, Districts and Brigades, to see that all do their duty on this as on every other head of service.

All Serjeant Majors of Infantry are to go through the course at the School of Musketry, and those at home are to be held in readiness to proceed to Hythe on the next relief of Detachments.

This order is to be read to the assembled officers of every Infantry regiment, depôt battalion and depôt.

By Command,

G. A. WETHERALL,

Adjutant General.

REFERRING to my communication of the 3rd instant, ^{Books and Returns,}

I have the honor, by direction of his Royal Highness the General Commanding-in-Chief, to acquaint you, that Officers commanding regiments will, after comparing the copies of Soldiers' Records in their possession with the Courts Martial Book, Defaulters' Book, Casualty Book, and other Documents essential to the verification of the same, send certified copies of the Records to their respective depôts, to enable the Commanding Officers to compare such copies with the originals in their possession.

The errors discovered in the original Records will be reported to the Adjutant General.

I have the honor to be, &c.,

THE General Commanding-in-Chief has desired that the annexed copy of a letter from the War Office, and of its enclosure, relative to Instructors of Musketry being allowed to use the Garrison Schoolrooms for their lectures, on condition that they are so arranged as not to interfere with the primary object for which the Schoolrooms are provided, and that permis-

sion is previously obtained in the manner therein described, shall be published for general information and guidance.

SIR,

War Office, Pall Mall (S.W.), 25th March, 1857.

I am directed by Lord Panmure to forward to you for the consideration of his Royal Highness the General Commanding-in-Chief the enclosed extract from a letter dated the 27th ultimo, addressed by the *Rev. J. B. Windsor*, Assistant Chaplain to the Forces at Chichester, to the late Inspector General of Army Schools, and to take this occasion of remarking, where it may happen, for want of separate accommodation, that an Inspector of Musketry finds it convenient to avail himself of the Garrison Schoolroom for his Lectures, Lord Panmure will have no objection to his so doing, provided they can be so arranged as not to interfere with the primary instruction for which these Schoolrooms are provided, or with the special work of the Schoolmaster.

It appears to his Lordship that there will be little difficulty in effecting this, if the Instructor of Musketry be directed, in every such case, to ascertain the existing School arrangements, and then apply, through the Commanding Officer, for such permission as he may require.

The Commanding Officer will address himself (marking his communication with the words "Schools" in the corner) to the Under Secretary of State, War Office, Pall Mall, who will communicate the directions of the Secretary of State for War on the subject.

I am therefore to request that you will move his Royal Highness to cause this course of proceeding to be made known to the Officers concerned.

Major General Sir Charles Yorke,
K.C.B., &c. &c. &c.

I have, &c.,

(EXTRACT.)

"The Schoolmaster at the Barracks mentioned to me to-day that the Instructor of Musketry had made use of the Schoolroom on one day in this week for the purpose of a Lecture, and signified his intention of giving a course."

"He is anxious to know whether you sanction such use being made of the room. On the occasion referred to it interfered with no classes, but it will, if continued, clash with a class of Non-commissioned Officers that the Schoolmaster was proposing to form."

Chaplain to the Forces.

Rev. R. Burnett, h.p. 15Mar.57

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The Intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, May 10, 1862.

## CIRCULAR, No. 96.

SIR,

War Office, 25th April, 1857.

1.—The attention of the Secretary of State for War having been directed to the serious inconvenience and delay in the distribution of the balances of Effects of Officers and Soldiers who may die in China, likely to occur by such balances being reported to this Department only in the Regimental Quarterly Pay List, his Lordship has deemed it expedient to direct that, during the continuance of active operations, a Monthly Return showing all the casualties that have occurred, commencing from the 1st May, 1857, shall be rendered to this Department by each Regiment engaged on that service on the enclosed form.

2.—The Casualty Return is to be despatched without fail by the first mail after the termination of each month. If in any instance it should be found impracticable to include therein the amount of the effects, as well as the name of the Officer or Soldier, such amount should be included in the return for the succeeding month, but every endeavour should be made in the first instance to make the return as complete as possible.

3.—The name of the Officer or Soldier, however, is invariably to be inserted in the return of the month in which the Officer or Soldier shall have become noneffective.

4.—The Paymaster will clearly understand that the sums inserted as the balances of the Officers, and Soldiers' Effects will, on the receipt of the return, be at once authorized by this Department to be paid to their representatives; he will, therefore, be held responsible for crediting the sums so stated in his Quarterly Pay Lists, and for any overpayment from any or-

roneous entry in the Return. I am, therefore, to request that you will enjoin upon the Paymaster the necessity of a careful attention in preparing and punctually rendering to this Department the Monthly Return complete in all its details and with the Soldiers' Account Books duly annexed.

5.—The prescribed Non-Effective Statements of the Officers' and Soldiers' Accounts are, as heretofore, to be annexed as vouchers to the Quarterly Pay List, but it will be unnecessary to repeat in the Casualty Return of the Pay List any other particulars which will have already appeared in the Monthly Return, except the names of Officers and Men and the amounts of effects, quoting the No. of Non-Effective Statements as a voucher and the Regimental No. of the Soldier.

6.—All the particulars applicable to *Deserters* are to be inserted in the Monthly Return, except the amount of effects. The amount of such effects is to be stated only in the Quarterly Pay Lists, where also should be stated the full particulars regarding Men transferred or invalided which are not required to be inserted in the Monthly Statement.

7.—The List of Casualties annexed to the "Daily Distribution" and the Periodical "Record of Deaths" hitherto furnished by the Regiment may for the future be discontinued.

8.—As all quarterly Pay Lists will, during the continuance of the Service, be rendered in the first instance to the Military Auditor in China, it will be necessary that Three-Monthly Muster Rolls be prepared and forwarded direct to this Office by the earliest possible opportunity after the completion of each Quarter.

9.—You will cause a Report to be made to the Military Auditor of the date when each Monthly Casualty Return, and each Three-Monthly Muster Roll, shall have been transmitted to this Office.

I have the honor to be, Sir,

To Officers Commanding —  
Regiments in China.

Your most obedient Servant,  
B. HAWES.

P.S.—A supply of the forms of Monthly Casualty Return and Three-Monthly Muster Rolls are sent herewith.

#### ALLOWANCE TO MEN ON A MARCH.

SIR,

*War Office, 5th May, 1857.*

It having been fixed by Legislative Enactment that the system of Billeting Troops in Scotland shall be the same as in England, and provision being made in the Mutiny Act for extending to the Innkeeper in Scotland the allowance of Tenpence for the hot meal when actually supplied by him to the Soldier on the March, I am directed by the Secretary of State for War to acquaint you that the daily Marching Allowance to the

Soldier in Scotland will accordingly be chargeable as when in England, at the following rates, viz. :—

|          |           |     |
|----------|-----------|-----|
| Cavalry  | . . . . . | 1d. |
| Infantry | . . . . . | 3d. |

I am to add, that all existing Regulations\* affecting Marching Money in England will now equally apply to Scotland, but Paymasters should take especial care to avoid the conjoint issue of the allowance of 10d. to the Innkeeper for the hot meal in Scotland with that of the Marching Money at the higher rate payable to the Soldier previously to the legal Enactment before referred to.

In drawing your attention to Art. 203 of the Militia Regulations of the 1st September, 1854, I am directed by Lord Panmure to acquaint you, that in any case in which it may be hereafter necessary to renew the engagement of the Serjeants who have been appointed on the Permanent Staff of the Regiment under your command since the passing of the Act 15 & 16 Vict. cap. 50, application for the authority of the Secretary of State for War to re-appoint them should be made by the Colonel, through the Lord Lieutenant of the County. No Serjeant is to be recommended for re-appointment who is not medically fit for a further service of five years, and who is not, in every other respect, equal to his duties; those who are unfit should be discharged immediately on the expiration of their present engagement.

*Rules for Conducting Works and Buildings in the Manufacturing Departments.*

78

Gen. No. 3

War Office, 11th May, 1857.

I. The direction, control and responsibility of the whole of the Works and Building operations authorized by the Secretary of State for the War Department, charge of lands, &c. of the War Department in the Royal Arsenal, Waltham Abbey, Enfield, Purfleet and Shoeburyness, is vested in the Inspector General of Fortifications, who will direct an Officer of his Staff especially to attend to these duties.

II. This Officer will be called Inspector of Works in the Manufacturing Departments. His Office will be in Whitehall.

All letters upon the subject of these Works will be addressed to the Inspector General of Fortifications, and marked at the head "M. D. Works."

III. The Inspector of Works will be assisted by a Surveyor of Works, resident at Woolwich, who will have immediate charge of the Works in the Arsenal, and by resident Clerks of Works at the other Stations.

IV. The orders of the Inspector of Works are to be considered as Orders of the Inspector General of Fortifications.

V. The general spirit of the Engineer Code will be adopted, and all deviations from it must be specially authorized—the only difference being that in this district the Commanding Royal Engineer and the Inspector General of Fortifications are the same person.

VI. The Surveyor of Works, Clerks of Works, &c., will render to the Superintendents of Factories and Heads of Departments all the professional assistance in their power—and will, in all practicable cases, conform to their views and consult their wishes—but they will be directly responsible to the Inspector General of Fortifications for all expenditure incurred, and from this responsibility no order from the Head of a Department can relieve them.

VII. A separate Annual Estimate will be prepared for each Manufactur-

ing or other department, after personal communications between the Inspector of Works and the Superintendents of the several Departments.

VIII. When a new Work is required for a Department either in an annual or special estimate, the Superintendent of that Department will state his requirements to the Secretary of State. The Secretary of State will then, if he thinks fit, call upon the Inspector General of Fortifications for plans and estimates. The Inspector General of Fortifications will put the Inspector of Works or other competent person in personal communication with the head of the Department to learn his views in the utmost detail. The plan will be, if necessary, repeatedly submitted to the Superintendent, and his concurrence obtained before it is finally submitted to the Secretary of State.

IX. All works chargeable to the incidental item will be executed upon the requisition of the Superintendent of the department concerned, or in his absence by any one acting on his behalf. Such services as are of so urgent a character as to admit of no delay, will be ordered for execution at once. In such cases the urgency of the work is to be immediately reported to the Inspector of Works, who will obtain the necessary sanction for the expenditure. Services which will admit of a few days' delay will be submitted to the Inspector General of Fortifications for his sanction before anything is done upon them.

X. In the case of Works being required of too considerable a nature to be executed on the incidental item, or which would be likely prematurely to exhaust that item, a special report, in the first instance, of the circumstance must be made by the Surveyor or Clerk of Works to the Inspector General of Fortifications, forwarding the requisition and an approximate estimate.

XI. In the case of any considerable deviation from the original and authorized plans and specification of a Work being required by a Superintendent in consequence of any unforeseen circumstance, and which would cause an excess upon the estimate sanctioned, a report is to be made by the Surveyor of Works, or Clerk of Works, to the Inspector of Works, stating the nature of the change, explained by a diagram, if necessary, its causes, and the probable expense, which must be sanctioned before the alterations are commenced. A similar course will be pursued in the case of any deviation appearing to the Surveyor of Works, or Clerk of Works, indispensable during the progress of the Works. In cases where serious inconvenience would result from the delay of a few days, and wherein the change would involve an inconsiderable expense, it may be made in anticipation of the authority, but a report of the circumstances must be immediately made.

XII. The expenditure upon the Works of each Manufacturing or other Department will be kept separately and in distinct ledgers, in the usual form, and the expenditure of the district will be kept in one general ledger for the whole, in Whitehall. All bills, having been carefully examined and checked in every detail, and duly certified by the Surveyor of Works and Clerk of Works, will be transmitted to the Inspector of Works, by whom they will be examined, signed and forwarded to the proper quarter for payment.

XIII. The measurement of Works will be under the charge of a Surveyor especially appointed for that important branch of the service.

XIV. The books kept will be those specified in the Royal Engineer Code,

and each Office will be furnished with the List of Periodical Documents required.

XV. Each Clerk of Works will be required to keep a diary ready for inspection at all times by the Inspector of Works, or other superior authority. This diary is to give a complete history of each Work during its execution, the date of the commencement of each part of it, the progress of the several parts at frequent intervals, and the time of their completion. All delays, and any variations from the design, together with the reasons and authorities for the same, and any incidental information which may afterwards be useful, are to be regularly recorded. This book will be open to the Superintendents of the Manufacturing Departments.

XVI. The Inspector of Works will exercise the same care of the lands of the War Department in the Arsenal, at Waltham Abbey, Enfield, Purfleet and Shoburyness, as is required of District Commanding Royal Engineers by Circular, No. 34. (Inspector General of Fortifications.) 1st January, 1857, <sup>148</sup><sub>307</sub>.

The Company will be told off from the right by alternate files right and left, and when it is intended to form four deep, preserving the same front, the word <i>Fours</i> will be given, upon which the rear rank will step back one pace, and on the word <i>Deep</i> , the left files will double behind the right files, by taking one pace to the rear with the left feet, and one pace to the right with the right feet. |
| Fours About. | { | 2. When four deep is to be formed to the rear. On the word <i>Fours</i> , the rear rank will step back as before, and on the word <i>About</i> , the whole go to the right about, and the left files will then double as before, in the proper rear of the right files.                                                                                                                                                           |
| Fours Right. | { | 3. When ground is to be taken to the right in the formation of four deep. On the word <i>Fours</i> , the rear rank steps back as before, and on the word <i>Right</i> , the whole face to the right, and the left files at the same instant form on the right of the right files, taking one pace to the right with the right feet, and one pace to the front with the left feet.                                                 |
| Fours Left.  | { | 4. When ground is to be taken to the left. The rear rank steps back as before, and on the word <i>Left</i> , the whole face to the left, and the left files at the same instant form on the left of the right files by taking one pace to the left with the left feet, and one pace to the rear with the right feet.                                                                                                              |

In all these formations two deep is re-formed from each of them by the word *Front*, upon which the files move up to their respective intervals into line, the rear rank immediately closing on the front rank; the word *Halt* will precede the word *Front*, if the company has been in movement.

In moving to a flank, file marching may be adopted, if necessary, by the files leading out in their proper order upon the word *Form Two Deep*; and at the word *Re-form Four Deep*, resuming their former places.

## THE VICTORIA CROSS.

THE following is a List of the names of the Officers to whom the above Decoration has been awarded in addition to those published in "*The Monthly Army List*" for March, 1857 :—

*War Office, 5th May, 1857.*

The Queen has been graciously pleased to signify her intention to confer the Decoration of the Victoria Cross on the undermentioned Officers of her Majesty's Army who have been recommended to her Majesty for that Decoration, in accordance with the rules laid down in her Majesty's Warrant of 29th January, 1856, on account of acts of bravery performed by them before the enemy during the late War, as recorded against their several names, viz.—

**Gren. Gds.—Colonel Hon. H. H. M. PERCY.**—Date of act of bravery, 5 Nov. 1854.

At a moment when the Guards were at some distance from the Sandbag Battery, at the Battle of Inkerman, Colonel Percy charged singly into the Battery, followed immediately by the Guards; the embrasures of the Battery, as also the parapet, were held by the Russians, who kept up a most severe fire of musketry.

At the Battle of Inkerman Colonel Percy found himself, with many men of various regiments who had charged too far, nearly surrounded by the Russians, and without ammunition. Colonel Percy, by his knowledge of the ground, though wounded, extricated these men, and passing under a heavy fire from the Russians then in the Sandbag Battery, brought them safe to where ammunition was to be obtained, thereby saving some fifty men and enabling them to renew the combat. He received the approval of his Royal Highness the Duke of Cambridge for this action on the spot. Colonel Percy was engaged with and put hors de combat a Russian soldier.

**7 F.—Lieutenant WILLIAM HOPE.**—Date of act of bravery, 18 June, 1855.

After the troops had retreated on the morning of the 18th of June, 1855, Lieutenant W. Hope, being informed by the late Serjeant Major William Bacon, who was himself wounded, that Lieutenant and Adjutant Hobson was lying outside the trenches, badly wounded, went out to look for him, and found him lying in an old agricultural ditch running towards the left flank of the Redan. He then returned and got four men to bring him in. Finding, however, that Lieutenant

Hobson could not be removed without a stretcher, he then ran back across the open to Egerton's Pit, where he procured one, and carried it to where Lieutenant Hobson was lying. All this was done under a very heavy fire from the Russian batteries.

7 F.—Assist. Surg. THOS. E. HALE, M.D.—Date of act of bravery, 8 Sept. 1855.

First. For remaining with an Officer who was dangerously wounded—Capt. H. M. Jones, 7 F.—in the fifth parallel, on 8 Sept. 1855, when all the men in the immediate neighbourhood retreated, excepting Lieutenant W. Hope and Dr. Hale; and for endeavouring to rally the men in conjunction with Lieutenant W. Hope, 7 R. Fusiliers.

Secondly. For having on 8 Sept. 1855, after the regiments had retired into the trenches, cleared the most advanced sap of the wounded, and carried into the sap, under a heavy fire, several wounded men from the open ground, being assisted by Serjeant Charles Fisher, 7 R. Fusiliers.

Coldstream Guards.—Brevet Major JOHN AUGUSTUS CONOLLY.—Date of act of bravery, 26 October, 1854.

In the attack by the Russians against the position held by the Second Division, 26 October, 1854, Major Conolly,—then a Lieutenant in the 49th Foot,—while in command of a company of that regiment on outlying picket, made himself most conspicuous by the gallantry of his behaviour. He came particularly under the observation of the late Field Marshal Lord Raglan, while in personal encounter with several Russians in defence of his post. He ultimately fell dangerously wounded. Lieutenant Conolly was highly praised in General Orders and promoted into the Coldstream Guards as a reward for his exemplary behaviour on this occasion.

## MEMORANDUM.

### ARTIFICIAL ARMS AND LEGS.

THE Lords and others Commissioners of Chelsea Hospital having at the suggestion and recommendation of the Secretary of State for War, made Arrangements for the supply of Artificial Arms (constructed upon an improved principle) and of Artificial Legs (in imitation of the natural leg, both as to form and motion) to those Commissioned Officers who have been wounded in the Service, whose means may not enable them to provide themselves with more expensive contrivances,—it is hereby notified, that such Officers who may be desirous of availing themselves of this benefit, and whose cases may come within the above regulation, should address their applications upon the subject to the Secretary of Chelsea Hospital. It is, however, to be clearly understood, that, as this is intended to be a boon to Officers of the above description, no pecuniary allowance in lieu can be granted to Officers who may prefer providing themselves with other substitutes for limbs.

- 2nd. Has he completed FIFTEEN years' service on Full Pay, and in what Corps?

- 4th. Has he received the difference when placed on Half Pay? Did he retire at his own request, from ill health, or from wounds?
- 5th. Has he served as Adjutant, or Paymaster, or on the Staff in any capacity likely to qualify him for the duties of Staff Officer of Pensioners?
- 6th. Has he certificates of ability and fitness from Officers under whom he served?

**The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :**

## **Regulations respecting Foreign Orders.**

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 3 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

## **Regulations respecting Foreign Medals.**

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.
